

DON'T GIVE THIEVES

A CHANCE

SHED & GARDEN SECURITY

If you have a garden gate – **CLOSE IT & LOCK IT**

Use **Secured by Design** endorsed padlock and hasp to secure door.

Use **Coach Bolts** for Hasp/external hinges to prevent any being unscrewed.

Use **5-Lever mortice locks BS3621** on suitable doors on larger outbuildings.

Where possible fit **Grilles/Heavy Wire Mesh or Shutters** on shed windows.

Ladders/bicycles/power & hand tools etc should be **anchored by a chain and padlock**.

Recommend **Property Marking** as a deterrent and improves the chances of recovery of stolen property.

Recommend **hostile/aggressive plants** around perimeter fences and boundary walls.
